OUR PHILOSOPHY: THE VIVEKANANDA VISION

Inspired by the teachings of Swami Vivekananda, we believe that "Art is the manifestation of the soul's divinity." Our festival is not merely a performance; it is a "Sadhana" (spiritual practice) that seeks to:

- **Promote Inner Strength:** To empower every artist to find their "inner strength" through the discipline and beauty of dance.
- **Encourage Universal Harmony:** Vivekananda taught that all paths lead to the same truth; similarly, we believe all dance forms—Classical, Folk, and Tagore—are unique expressions of the same universal rhythm.
- **Service Through Art:** In alignment with his belief in "Shiva Jnane Jiva Seva" (Serving God by serving humanity), we provide this platform to preserve and serve our national cultural heritage for future generations.
